Learning Detectives

A team of Learning Detectives observed some of the learning behaviours in Y123 this week. They found that the children were working cooperatively during their science lesson on plants. They also noticed many children showing that they were concentrating and managing their distractions.

Road Safety

We had a visit from Kate Castle this morning who taught each class all about Road Safety.

Diary Dates

Monday 4th February– YR + Y6 weight and height measurement.

W/C 4th February—Safer Internet Week.

W/C 18th February– Spring Half term

House Points for this week

Rabbits 96

Dogs 95

Guinea Pigs 84

Cats 81

Lighthorne Heath Heroes!

Congratulations to all of this week's
Lighthorne Heath Heroes!

ATTENDANCE MATTERS

every school day counts.

**Well done to Y456 who had the
highest attendance at school this
week with a brilliant 96.9%**

Reception– 95.35%

I have decided to leave Nursery off the attendance as
their attendance is not statutory.

Year 1/2/3– 92.4%

Year 4/5/6– 96.9%

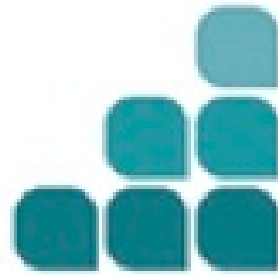

Whole School Attendance: 94.68%

**The minimum acceptable attendance, as
stipulated by Warwickshire Local
Authority, is 95%.**

**Low attendance results in poorer educa-
tional progress and attainment.**

**UN Convention on the Rights of the Child:
Article 3 (Best Interests of the Child.)**

Gateway Alliance School Direct
*in the heart of England
at the heart of the classroom*

Do you know someone who is interested in training to be a teacher?

To find out more about the **Gateway Alliance School Direct - school-led teacher training programme** visit our [website](https://gatewayalliance.co.uk/school-direct/).
<https://gatewayalliance.co.uk/school-direct/>

STEP 1: Make sure you only go on the internet with your parents supervision. (You can also ask your parents to put a block on bad websites on your computer)

STEP 2: Don't click on pop-up adds or mail.

STEP 3: Don't give details to anyone online even if they are your friends.

STEP 4: If you get cyber bullied (bullying online) tell an adult and don't keep it a secret as it will only get worse.

STEP 5: Remember all our tips and you will be safe online! 😊

As part of our Literacy learning on Gregory Cool, when Gregory is swimming in the sea he thinks the dolphins are sharks! To help him, the children researched all about dolphins and have made their own information leaflets.

Dolphin behaviour

They give
birth to
live young
and
don't lay
eggs

All you need to know about dolphins

By Dylan

Physical features?

They have
long bodies
dolphins
have a
tail on
there head

Diet?

Dolphins
eat
meat
and fish

Fun facts?

They have
a small
back

How do they live?

They live
in groups
called pods

Dylan

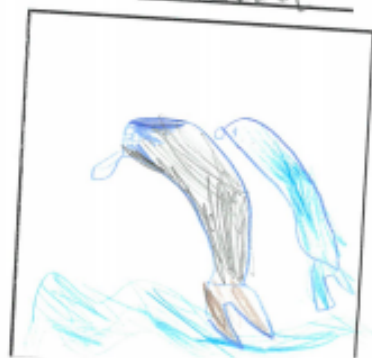

Looking at Learning

Dolphin ^{behav}

They are
very cheace
and they
are clever

All you need
to know
about
dolphins

By nisha

What do they eat

They are
gray white
black. Their
teeth are
sharp.

What do they

They are
carnivores
so they eat
meat and fish.
Dolphins
can swallow
a ball of fish.

Fun facts

they click
to talk to
each other
and they
wile.

How do they live

They live
in pods and
the sea and
the ocean.

Misha

Looking at Learning

Dolphin behaviour

Dolphins often

like to be

cheeky and

play tricks on

each other.

Dolphins love

to be funny

and love to

make people

smile.

All you need to know about dolphins

By Jeremy

Physical features

Dolphins have grey
and thick skin.

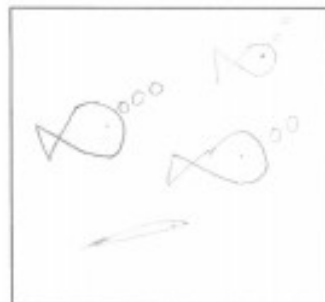

Interestingly dolphins
have up to 72 ^{teeth} to
104 teeth.

The Dolphin is jumping!

Diet what they eat

Did you know...
dolphins are meat
eaters. Dolphins
often eat fish
and squid.

This is what Dolphins
eat!

How do they live

Did you know
dolphins normally
live in Antarctica.
Dolphins are normally
tropical.

Fun facts

You will often
see dolphins in
a pod or a (school)
group. An orca is
like a sort of
dolphin.

Jeremy
