End of year reports

The end of year reports will be sent out to you by email this year. Please can you ensure that your email address is correct so that we send the report out to the right person. Early years and Key Stage 1 reports will be sent out on Thursday 4th July and Key Stage 2 reports will be sent out on Friday 5th July.

Unfortunately we will not be able to give out paper copies this year.

Toys and Keyrings

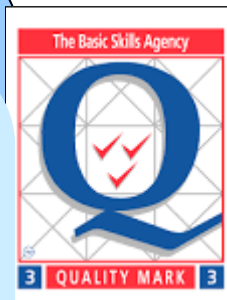

An increasing number of children have been bringing in toys and key rings to school. This has been causing disagreements in school and upset when things get broken or go missing. Please ensure that your child does not bring toys into school and that if they need to have a key ring attached to their bag that they only have one. Thank you for your support with this matter.

Y456 Class Assembly

Parents and carers are invited to share their children's learning in Y456 on Wednesday morning at 9:10am. This should last about 15 minutes.

Easter Egg Raffle!

We will be having an Easter Egg raffle in assembly next Friday 12th April. Please bring in 50p in a named envelope if you would like your child to enter.

Spring Celebration Breakfast Club

We had a great time on Tuesday morning at our Spring Celebration Breakfast Club! Thank you to all those families that came down to enjoy some breakfast with us! Cheryl from Orbit and Jo from Greggs had a lovely time meeting you all and finding out about our school and breakfast club.

Nursery and Reception

Class Assembly

Nursery and Reception children did a great job in their class assembly on Wednesday! They were so brave standing up in front of the school and telling the parents, carers and older children about their learning.

ATTENDANCE MATTERS

every school day counts.

**Well done to YReception who had
the highest attendance at school
this week with a brilliant 98.7%**

Reception– 98.7%

I have decided to leave Nursery off the attendance as
their attendance is not statutory.

Year 1/2/3– 97.4%

Year 4/5/6– 90%

Whole School Attendance: 95.11%

**The minimum acceptable attendance, as
stipulated by Warwickshire Local
Authority, is 95%.**

**Low attendance results in poorer
educational progress and attainment.**

**UN Convention on the Rights of the Child:
Article 3 (Best Interests of the Child.)**

Looking at Learning

As part of their science topic Y12/13 dissected 'owl pellets' to find out about the owl's diet. They recorded what they had found and used their investigating skills to draw conclusions on what the owl had eaten.

Tuesday 2nd April 2019

L.O: To learn how owls take nutrients from their food.

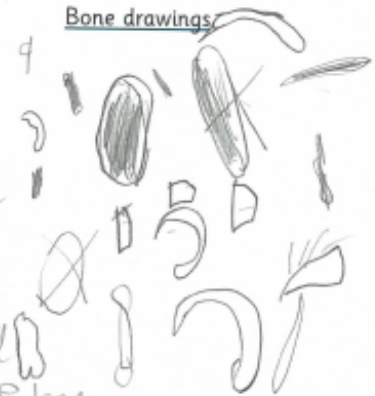

What do owls eat?

What bones did you find?

Bone drawings

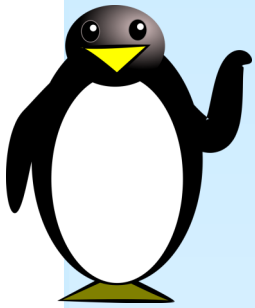

I found in the bone a vole tail bone and some little bones and a big claw and a curved bone and a spine bone

What food do you think the owl ate?

Penguins Assemble!

Children across the school came dressed in black and white today to raise money and awareness for the Parenting Project! The Parenting Project is based at our local children's centre and helps local families by providing support.

We will announce how much was raised in next week's newsletter as we are still waiting on some donations.
