### **End of year reports**

The end of year reports will be sent out to you by email this year. Please can you ensure that your email address is correct so that we send the report out to the right person. Early years and Key Stage 1 reports will be sent out on Thursday 4th July and Key Stage 2 reports will be sent out on Friday 5th July. Unfortunately we will not be able to give out paper copies this year.

### **Quidditch Day!**

On Monday 3rd June (the first day back after half term) we are having a special Quidditch day based on the game in Harry Potter. The children need to come to school in their PE kits for the day and will take part in activities. Reception children will still go swimming in the afternoon and will complete their activities in the morning.

### **Walk to School Week**

Next week is walk to school week! Help to save the environment, encourage more exercise and reduce congestion by walking/riding your bike or taking public transport to school! We will be talking to the children about this in class and recording who has walked to school. If you live far away and need to drive maybe you could park a bit further away in the village and walk part of the way.

their attendance is not statutory.

Article 3 (Best Interests of the Child.)**

# Ready Steady Read!

Well done to all the children that were sponsored to read at home. You raised £325 for the school to spend on books! This amount has been topped up by Usbourne. We are submitting our order of books and can't wait for them to arrive in school to support our learning in class!

# Walk to School Week!

As part of our journey towards becoming an international Green Flag Eco-School, we will be taking part in Walk to School Week which runs from Monday 20th May until Friday 24th May 2019.

Walking is fun, sociable, healthy and, by helping to reduce the number of cars on the road, it's also good for the environment. With all these benefits, we would be thrilled if as many families as possible to travel to school by foot during this week.

If you usually drive to school, why not try parking a few street's away so that you are increasing the distance you would normally walk—every little helps!

Every pupil who manages to walk for a whole week will receive a certificate! Thank you to everybody who is able to participate.

## **Article 24** (health and health services)

Every child has the right to the best possible health. They should have a clean environment and education on health and well-being so that children can stay healthy.
