Dear Parents and Carers,

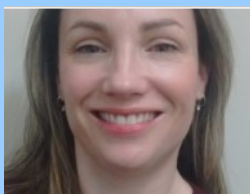

Harvest Festival Assembly

Thank you for all the kind donations of food this week. The children have been preparing their classwork ready for the assembly on Monday. All are warmly invited to join us for the assembly on Monday at 09.15. We are welcoming Rev. J Strain who is joining us for this occasion too.

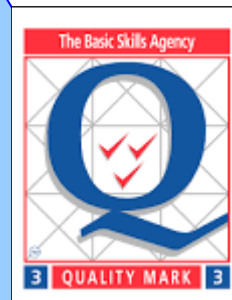

Community Engagement

I have had several meetings recently with local groups and with Rosalind Anscombe a WCC Community Development Officer.

We will distribute next week a **Benefit Health Check** to help people check that available benefits are being fully claimed. We are especially keen to promote the use of Pupil Premium funding and entitlement to free School Meals to children in KS2. Ros would like to set up a **Youth Club** in the village, and is looking for Volunteers to help run it. The club would run for the benefit of children from 7 to 15 years, staged in 2 sessions. There is funding from WCC for equipment and support. If you are willing to give some of your time to this, then please let me know so I can pass on your details. Ros is organising a **Healthy Food and Fitness Workshop** at the Village Hall on 31/10/19 between 10.00-12.30pm.

Rosalind will be at the school gates at the end of the school day on Wednesday 16 October and Thursday 17 October to hand out a **Health and Wellbeing Questionnaire** and it would be great if you could complete it and pop it in the envelope provided.

Home School Agreements

Please make sure that you have signed and brought back your Home School Agreements.

Awesome Aces

A reminder that we have places in our After School Club. This runs everyday from 3-5pm. Children can come along for 1 or 2 hours. The cost is £5 per child, per hour. Please speak to Mrs Hendriksen if you would like your child to come along so that you can sort a contract.

School Dinners

As Autumn is well and truly here, jacket potatoes return to our menu from next week. Mrs Cook is happy to do this alongside the current deli bags. We are so lucky at this school to have such an amazing cook who offers delicious food!

Parents' Information Meeting

We have now set a date for our proposed meeting of **Thursday 17th October at 3.15-3.45**. We would like to outline the new curriculum we are delivering, explain year expectations for your child and suggest ways in which you can support your child's learning journey. We hope as many of you as possible will be able to stay for what is intended as an informative and supportive opportunity to learn more about what your child is doing whilst at our school.

Stratford Herald Supplement

Don't forget to check out this week's Herald for their lovely 'First Day at School' supplement featuring our lovely Reception children.

With Best Wishes
