Notes: Green = present; red = apologies received; yellow = recorded as “in attendance”; grey = not recorded in the formal attendance section of the minutes. Attendance has been compiled from the six Full Governing Body meeting minutes for 2025-2026. *The 2025-2026 Circle Model carried forward re-election dates for Seb Rockcliffe, Tim Naylor and Jill Manley that had already passed during the academic

year; these should be checked against the current governance record before publication. Business/financial interests and relationships are not duplicated from meeting minutes and should be read alongside the Federation’s current published Register of Interests.
