

HRH The Queen's Platinum Jubilee Reading Challenge

The Queen will be celebrating her Platinum Jubilee very soon, and we will be celebrating at school in a few different ways!

Next week, your child will be bringing home a reading challenge template.

The template will mark out the next 4 weeks of term (including the half term) and will have 6 plain royal crowns for each week. For every day that your child reads at home, they can colour in one of the crowns. **Every child who has completed their template and returned it by Friday 10th June will receive a special reading certificate, and three children's entries will be picked at random to receive a royal-themed story.**

Platinum Royal Reading Challenge

Week commencing	Mon	Tues	Weds	Thurs	Fri	Sat/Sun
9th May						
16th May						
23rd May						
30th May						

Nursery/Reception Big Wide World

As part of our 'Big Wide World' learning topic we've been thinking about the locations of a range of places on maps and thinking about how they are the same and different to Lighthorne Heath. We've been receiving post from friends and family all over the world and have used Google Earth to find the places. The children have really enjoyed receiving post.

The children also looked at a collection of tropical fruits and used Google Earth to look at where they were grown. They have talked about the journeys that these fruits made to get to the UK. The fruits were from Zambia, Costa Rica, Peru, Brazil and Columbia. The children then got to try a tropical feast, and everyone was curious and tried something new.

Year 1/2/3

Let's Go Fly a Kite!

This week we have enjoyed flying our class kite in the sunny and breezy weather! This inspired some lovely poetry by the children who described how the kite moved in the air, using powerful adjectives and similes within their work.

I see a dancing kite.

Like a bird, high above,
swooping above the clouds.

Bright and colourful,
reaching into the sky.

As people down below tug and pull on the
string,
the kite rises
higher,
higher,
higher!

- Teadora

Year 4/5/6 I.D.

This week the children in 4,5,6, have continued to look at different crime scene investigation (CSI) techniques and learning in more detail about fingerprints. In our visual art lesson, children used techniques to develop and share their ideas in using pattern and texture, and to create printing blocks through cutting and building. They took an enlarged picture of a fingerprint and then used card to build up the picture and make it 3D. They worked in either pairs, or on their own. This was quite fiddly and time consuming, but got easier the longer time went on.

When we have finished them we are going to explore printing on a variety of surfaces to develop our understanding of reversal, positive and negative imaging, overlap and rotation.

Be a Super Star Reader!

Read Around the World Challenge

Mrs Hartley was delighted to give Esme, Falak, Eldar and India their certificates for completing the challenge this week. Well done!

Happy reading, everyone!

Book Launch Author Event

On Thursday, the whole school was invited to take part in an online live event to celebrate the launch of a new book, 'One More Try' by bestselling authors Naomi and James Jones. 'One More Try' celebrates problem solving and never giving up and features geometry, brilliant storytelling and vibrant artwork. The children were also able to take part in a draw along.

Circle loves the tower that the squares and hexagons have built and wants to make his own. But circles, diamonds and triangles are pointier, rounder and much wobblier - making a tower is not as easy as it looks! The shapes try and try but their tower just keeps tumbling down. Can Circle persuade them to have just one more try? In this perfectly shaped follow up to the bestselling *The Perfect Fit*

As part of the launch, we have the opportunity to purchase signed copies of the book for a special price of £5.50. If you would like a copy you can click on the link below. Postage is free.

Every child has the right
to the best possible health.

Walk to School Week!

A reminder that we will be taking part in

Walk to School Week

from **Monday 16th May to Friday 20th May.**

Walking is fun, sociable, healthy and, by helping to reduce the number of cars on the road, it's also good for the environment. With all of these benefits, we would be thrilled if as many families as possible could travel to school by foot during **Walk to School week.**

If you usually drive to school, why not try parking a few streets away so that you are increasing the distance you would normally walk?

Throughout the week, classes will work together to make as many active journeys as possible. They'll track their progress each day on the classroom wallchart, unlocking new levels and knowledge as they go.

Every pupil who takes part will also receive a certificate!

Eco-Schools

Lighthorne Heath Learning Heroes

Nursery and Reception

Benjamin is Mrs Manley and Mrs Hartley's Reception and Nursery class hero this week. Ben continues to make great progress with his reading. He uses a range of strategies to help him read a new book including using the context, knowledge of sight words and use of phonics to blend. Ben is always happy to have a go. Well done!

Co-operate

Have a go

Year 1/2/3

Mrs Hill's and Mrs Singh's have chosen Yuvraj as their hero this week. Yuvraj has recently joined our class and has shown great enthusiasm towards our literacy lessons and topic work. Yuvraj wrote a beautiful poem about flying a kite this week, displaying his great listening skills and perseverance, well done!

Persevere

Concentrate

Year 4/5/6

Mrs Cox's hero this week is Camellia-Rose. She has contributed knowledgeably and articulately during class discussions, particularly in the debate around nature Vs nurture. Mrs Cox was pleased with how well Camellia-Rose conducted herself in the discussion, and how well she listened to the opinions of others even if it differed from her own ideas. What a fantastic attitude to learning, Camellia-Rose!

Keep on improving

Be curious

Mrs Cox also would like to give all the Year 6 children a special mention for working so hard on their SATs this week.

Use your imagination

Enjoy learning

Diary Dates

W/C 16th May 2022	History Week
Monday 16th May 2022	Zoolab Visit to Year 1/2/3
