

Dear Parents and Carers,

**Emergency support for families.**

We are aware that the current uncertainty around government plans to contain and control the Covid-19 virus mean that many families are not sure if/ how this will affect them, financially or otherwise.

In the event of school closure, we wanted to make you aware of support avenues that are open to the parents and carers of young children who may be able to offer advice and support or to signpost to other local agencies that could assist.

**The Family Information Service (FIS)** is a local organisation that is able to offer advice around many issues including finance, housing, parenting, SEND and health and wellbeing. Their website can be found at <https://www.warwickshire.gov.uk/fis> and they can be contacted on 01926 742274

To speak to a family support worker at any other time they can be contacted on 01926 412412, website details can be found at <https://www.warwickshire.gov.uk/childrenandfamilycentres>

The school is a registered distributor of **Food Bank** vouchers and these can be issue to families in crisis.
