Parents Evening

We will be organising pupil progress meetings with parents on Tuesday 31st March and Thursday 2nd April. This is a great opportunity to discuss your child's progress and find out their next steps.

Year 1 and Year 2 Assessment information meetings

On Tuesday 31st March we will be holding a phonics screening check meeting, with Mrs Hill. This will begin at 3:15 and will last no longer than half an hour. All parents of children in year 1 and 2 are invited to attend this to find out more about the statutory assessments and how they can support their child at home.

There will be a separate KS1 SATs information meeting with Mrs Munday on Thursday 19th March, 3.15-3.45.

Year 5 and 6 Assessment information meeting

On Thursday 19th March we will be holding a KS2 SATs information meeting. This will begin at 3:15 and will last no longer than half an hour. All parents and carers of children in years 5 and 6 are invited to attend this to find out more about the statutory assessments and how they can support their child at home.

Year 4 Statutory Multiplication Check

This year sees the introduction of the new times tables check (up to 12x12) for all Year 4's. The check is done on-line in school, with correct responses needed very quickly. Mrs Cox will explain more nearer the time, but meanwhile all support you can give to your child to be ready for this test will really help them succeed. Speedy recall of these facts is essential to their progress and confidence in maths. Please ask us for details of good apps and games to support your children's learning at home.

Today we have enjoyed being visited by ownbooks organisation, who have filmed some of our children reading, sharing and enjoying some of the books from their scheme. The video will be uploaded on to their site and used as promotional material for their scheme, which they would like to extend around the country. We are being showcased as trailblazers for the initiative!

We are lucky to be supported by this fabulous scheme. Please do encourage your children to regularly select books from the bookcases in Reception, to take home and keep. The books in the basket are selected as more suited for Nursery and pre-school children.

Thank you to parents who have already returned Sponsored Reading forms– our deadline for these is **Monday 16th March**.

I am pleased to be hosting an **Always Club** on a Thursday afternoon in my office. This will be a celebration, with a treat- cake and drink for the children who are always doing the right thing demonstrating our Learning Characteristics . One child will be selected per class by their Class Teacher. This is intended to promote a focus on positive behaviours.

Breakfast Club Reminder

Another reminder to all that attendance at this Club is conditional on acceptable behaviour. This includes following directed activities and showing respect to staff and one another. Negative behaviour is disruptive to the smooth running of the Club as well as being a bad start to the school day, with unfortunate knock-on effects.

Have an enjoyable weekend.
Mrs Birch

ATTENDANCE

MATTERS

every school day counts.

Well done to Y Reception who had the highest attendance at school this week with a brilliant 100%

Reception– 100%

I have decided to leave Nursery off the attendance as their attendance is not statutory.

Year 1/2/3– 98.3%

Year 4/5/6– 99.4%

Whole School Attendance: 98.94%

The minimum acceptable attendance, as stipulated by Warwickshire Local Authority, is 95%.

Low attendance results in poorer educational progress and attainment.

The effect of adding hot water

We investigated :

The order of the colours in rainbow

We noticed it dissolved the colours

We predicted what would happen with cold water

Taste the Rainbow

We shared out the sweets equally

PIC•COLLAGE

Handa's Surprise

First we sorted the fruit from the animals

Then we matched the fruit to its animal

We sequenced the seven steps in the story

We made animal masks from the story

We began adapting the story with our own ideas
