Dear parents and carers,

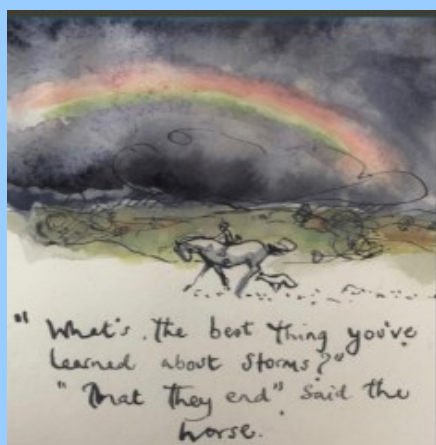

The second week of home schooling completed and the Easter Holidays now upon us. We all need a break, so no work will be set by Teachers over the two week Easter period. Try to relax a little, and enjoy the time with your families as best we all can in current circumstances. I will be checking my emails if you do need to make contact over the break.

Again, all the teachers are really delighted with the children's responses that they are sending through. **If you are responding via Seesaw, please supervise your child's posts, to ensure we are all keeping our children safe online.**

We are trying hard to set the right amount of work and also a variety of activities to make them as widely appealing as possible. We can't stress enough that you should not feel that you are being expected to be teachers, and there is no set expectation of what is to be done. Just do what's right for your child and your family.

Wishing you all a peaceful and safe Easter Break. We will resume on **Monday 20th April.**

Take care, and keep safe everyone.

Jacquie Birch
Associate Headteacher

Home Learning... Vulcan Class

Topic/Literacy work: To design an advert to persuade your teacher to buy a Basil plant.

Maths work: Lathan completed various maths challenges and was able to explain his working out.

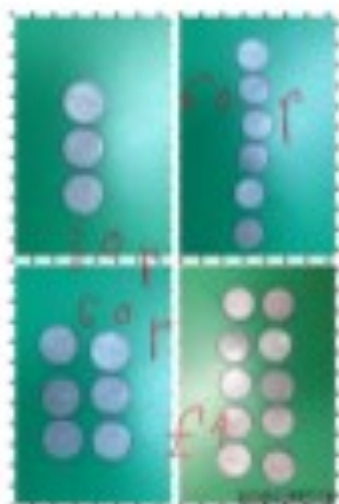

Topic work: Amy's observational drawing of a plant. She labelled her work and was able to identify the different parts of a plant.

Topic/Literacy work: Lexxi and Taby's fantastic writing about Pollination.

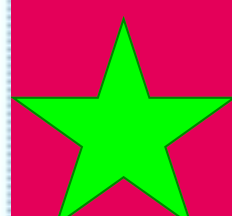

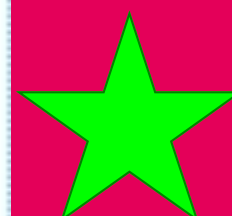

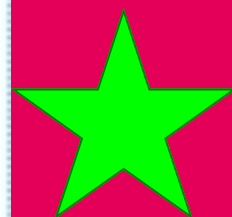

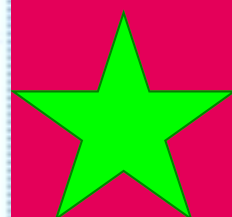

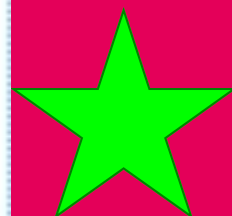

Handwriting practise: Teodora practising her key words and letter formation.

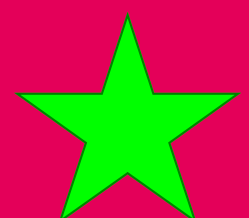

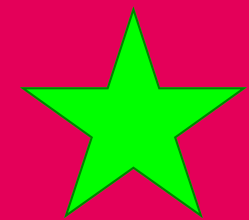

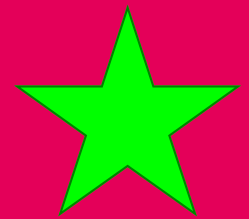

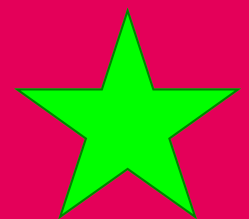

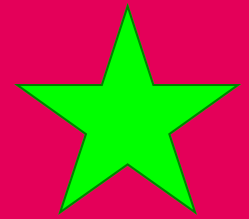

$$\begin{array}{r} £1 + 0p \\ + 30p + 30p \\ \hline = £2 - 20p \end{array}$$

Maths (counting 10p): Kasper's fantastic counting and working out.

Home Learning... Vulcan Class

Another absolutely super week's work from Vulcan Class. So many fantastic responses. Mrs Hill and Mrs Munday are especially pleased this week with Amy, Spencer, Teadora , Lewis and Toby.

BRILLIANT STUFF EVERYONE. THANK YOU

Vantage

BRILLIANT DINOSAUR FOSSILS BY LCOLN AND JENSON

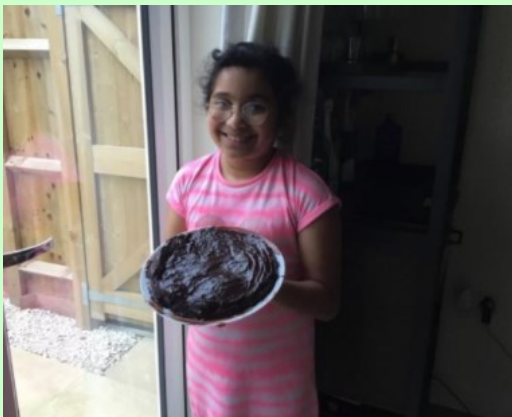

Absolutely fantastic work all week from Vantage Class.

Such creativity being shown and a brilliant response to the suggested learning activities.

All of you are superstars. Huge well done everyone.

Fantastic animation work on Purple Mash – these are just the highlights:

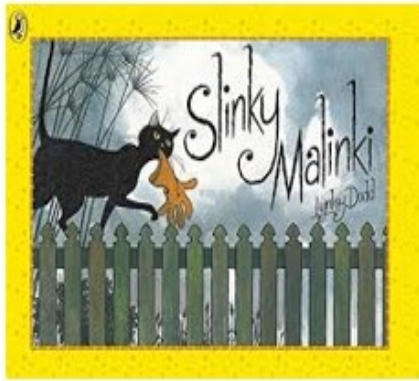

Connie's X-Factor animation, complete with gold buzzer moment.

Some brilliant work from lots of you, again! Mrs Cox was especially impressed with Lilly, Josh Sera, Connie, Jeremy, Beau, Sebastian, Piotr. All of you are fabulous.

In response to the COVID-19 outbreak, Medicspot has launched its [Hand Wash Challenge](#), a new initiative for children at Lighthorne Heath Primary School to learn about washing their hands in a fun and creative way.

We're asking primary school children to share their creative ideas to help encourage frequent hand washing. They could make a poster, film a video, record a song, do a science experiment or write a poem about handwashing.

The top entry will receive £500 for their primary school and 10 runner-ups will receive £100 for their primary school. This could go towards hand sanitisers, software, books, stationery, or anything else for your primary school. There will also be a downloadable certificate for every entry received.

APP OF THE WEEK

Rhythm Cat is an entertaining game with a great soundtrack to play along to, but it also has the added benefit of teaching you how to read the most commonly used music rhythms, with levels that build up progressively. A fun way for beginners to get past the most challenging and often discouraging introduction to reading music. Developed in collaboration with professional musicians and educators.
