Dear parents and carers,

I hope everyone continues to be well, despite the rainy weather we've been having this week. The sunshine, that we had grown rather accustomed to, is scheduled to be returning I gather next week! Fingers crossed.

Everyone I hope by now has seen Mrs Westwood's email sent yesterday, and I know Mrs Hendricksen has begun ringing families to ascertain intentions about returning to school.

Friends are the
sunshine of life.
- John Hay

Dear children
How are you all? I've
really missed you. Please
don't worry about
coming back to school.
It is a little bit
different but it is still
fun!
from TJ

We will organise our Bubbles for returning once we have an idea of the numbers and I will send further information next week confirming all the details. In the meantime, we are sharing as much as possible the work the children are doing in the Bubble via Seesaw. Do keep checking.

For children who are not returning, we will endeavour to make the remote learning mirror what is happening in Bubbles as far as is practicable.

We continue to be amazed and impressed with how brilliantly you have supported your children through the lockdown. Now we are in this transition period, we will be doing our utmost to make the rest of the term, whether your child has returned to school or remaining at home, as pleasurable and positive as possible.

At present, the Government's plans for September are uncertain. We will keep everyone advised, but for the time being, it's a lot of speculation, but no firm detail. We are planning for a variety of possibilities...

GOLD - RIGHTS RESPECTING

The Bubble Classrooms have been prepared following Government guidance on social distancing and hygiene measures.

Whilst school has been quiet during Phase 1 of wider opening, we have taken the opportunity to re-fresh many parts of the school, update displays and tidy communal areas.

Enjoy the weekend.
With best wishes,
Jacquie Birch.

How did this pirate get stuck on a deserted island?

the pirates boat crashed onto the rock and he couldnt mend it with wood because there were no trees around and he camped in a cave

By Alfie

By Lathan

What is this monument of and why is it in Whitby?

Captain James Cook.

He lived there. His ships 'Resolution' and 'Endeavour' were built there.

Bubble 1

Wednesday 17th June 2020
Making 'things to look forward to' jars.

Today we made jars to remind us of the things we have to look forward to. We can look at these if we are feeling sad.

OUR
PLANET

Today in forest school
we made 3D sculptures
of things from space.
We had to work
together as part of a
team and persevere
when things went
wrong.

PIC•COLLAGE

Bubble 1

The children have been brightening up the corridor windows

Bubble 1

A photograph of two young girls in school uniforms working on a mechanical project. The girl on the left, with dark curly hair, is holding a small metal component. The girl on the right, with long brown hair, is using a screwdriver to work on a device with colorful wires. They are both looking down at their work with concentration.

BRITISH THE NATIONAL
MOTOR
VEHICLE MUSEUM

Interactive Museum Sessions

Interactive Museum Sessions combine a Museum tour with facilitated activities based around our Collection, led by members of the Education Team.

Journeys through Time EYF5, KS1

Curriculum Links: History

Experience what it was like to drive on Victorian roads, through exciting costumed role play and a tour along the Museum's 'Time Road'.

History of Transport KS2

Curriculum Links: History

Learn about the local history of the motor car and its development through a guided tour of the Museum, role play and an object handling session.

Engineering Apprentices* KS2, KS3, KS4

Curriculum Links: PSHE, Citizenship

Explore the role of a Formula 1 pit crew and use your engineering and team skills to race a Jaguar D-type remote control car around our track. This programme can be tailored to KS2 or adult learners.

For more information visit the website or contact our bookings team on 01926 649609.

*In association with Jaguar Heritage Trust

For more information about all our school programmes visit britishmotormuseum.co.uk/schools

£8 per pupil

£9.50 per pupil
45 mins

Hands on Workshops

Themed workshops led by members of our Education Team that encourage pupils to take part in active learning in the Museum.

Materials & Movement EYF5, KS1

Curriculum Links: Science, Citizenship

Discover the materials that are used to make cars. Pupils will learn about different materials and movement through role play and a LEGO® car building challenge.

Fashion vs Function EYF5, KS1, KS2

Curriculum Links: Art and Design, Design & Technology

Explore how cars are designed for different purposes and become a car designer for the day. Create a 'personalised' car out of Land Rover using our special worksheets.

Discovering Forces KS2

Curriculum Links: Science, Citizenship

Explore the different forces that act on vehicles and how they affect movement. In teams, pupils will take part in our car design and building challenge using LEGO® bricks.

£9.50 per pupil
60 mins

Ready, Set, Go! KS2, KS3

Curriculum Links: STEM, Citizenship

How can we power the car of the future? Join the Professor and become scientists for the day in this interactive, narrative immersion activity where pupils will build a car powered by salt and water.

£8 per pupil
90 mins

£60 per school
60 mins

Self-led Visits

Self-led visits are suitable for all Key Stages and allow you to create a day that fits with your current topic. Visit includes coach parking, greeting on arrival and allocated lunch space.

£6 per pupil

90 mins

Add on Activities

£0.50 per pupil

Ride in a Classic EVPS, KS1, KS2

Take a trip around the grounds in a classic car and experience what it was like to travel in style in the early 20th Century

British Motor Museum Quiz KS1, KS2

This self-led quiz allows pupils to become history detectives for the day while learning about the British motor industry.

Object Handling KS1, KS2

Become a curator for the day! Learn how to handle Museum objects while exploring our exciting motoring collection.

Cut out Cars EVPS, KS1, KS2

Pupils will design and make their own car from a choice of a Mini, Land Rover or Jaguar.

Maths Challenge & Science Challenge KS1, KS2

These challenges will test pupils' maths and science skills using the British Motor Museum's collection as inspiration!

Self-led visits are also available for adult learners.

Prices vary by Key Stage, for more details please see the website.

We can help cover the cost of your transport to the Museum!

“The travel grant makes our visit from such a distance possible rather than just a dream and allows us to make the very most of the facility you have to offer.”

Grants of up to £300* are available to schools to help with the cost of coach travel to the Museum.

Applying for the grant is simple. Just book one of our programmes, let our Bookings Team know that you are interested in the Travel Support Scheme, and we will help with the rest!

* Made possible through the support of Arts Council England. Terms & conditions apply.

Get in touch and book your visit today

Your day at a glance

Most visits take place from 10am to 2pm. The maximum capacity for visits is 90 pupils* and we usually divide that into a maximum of 30 pupils per workshop session.

Workshop sessions are held in our purpose-built Learning Space and around the Museum.

* dependent on programme

“ It was a fantastic day.
Very well organised
and executed. The
children loved it! ”

“ The children came back
brimming with enthusiasm, all
in all a tremendous success! ”

Free SCHOOL MEALS

UNIVERSAL INFANT FREE SCHOOL MEALS - IS MY CHILD ELIGIBLE?

If you have a child in Reception or Key Stage 1, your child is entitled to a free lunch every day. By offering so much great choice, we're confident your child will find a meal combination they enjoy from our menu to help them develop and excel during school time.

Please contact your child's school for more information.

OUR INGREDIENTS

IT ALL BEGINS WITH OUR PASSION FOR FANTASTIC FOOD!

When we source our ingredients, we seek out trusted suppliers to provide the freshest, most nutritious and highest quality produce possible.

Our suppliers put sustainability, animal welfare and ethical trading at the heart of their businesses. As a result, we know with confidence, the food we serve is wholesome, safe and fully traceable.
