

Reception

Last week, the children were so excited to watch the butterflies emerge from their chrysalises. They have loved learning about the life cycle of a butterfly and the process that caterpillars go through before turning into butterflies. It was so much fun setting the butterflies free and watching them fly away.

The butterflies flapped their wings to make sure they were dry before they could fly.

Exciting news from Lighthorne Heath Primary School

We are delighted to announce that, from September 2026, our Nursery will be expanding to offer 30 hours/wk. term time provision for eligible 3 and 4 year olds.

- ✓ Fully funded places available
- ✓ Welcoming, nurturing environment
- ✓ Experienced Early Years team

We are now taking enquiries for September starters and beyond. To find out more, please email admin2064@welearn365.com. Visits welcome.

Science – Habitats

It had 6 spiky legs and moved very slowly. I could see it's front jaws moving as it ate the leaf.

This week in Science, we explored habitats and learned that a habitat is a place where an animal lives and provides everything it needs to survive, including food, water, shelter and space. The children compared different habitats and discussed how animals are specially adapted to live in their environments.

As part of our learning, Year 1 and Year 2 helped to create a habitat for our new Malaysian jungle nymph stick insect (*Heteropteryx dilatata*), which will be cared for by the children throughout the year.

We learned that these remarkable insects come from the warm, humid rainforests of Malaysia, so their enclosure needs to be sprayed regularly with water to recreate the rainforest conditions. They also need plenty of fresh bramble leaves to eat, and the children are excited to help care for it by making sure it has everything it needs to stay healthy.

The children were fascinated to discover that female Malaysian jungle nymph stick insects are among the largest stick insects in the world and can grow to an impressive 20 centimetres in length. They were also challenged to draw the insect and use the letters in its name to create a suitable pet name. After lots of imaginative suggestions, Jessie was chosen! With the excitement surrounding the recent Toy Story 5 film, everyone agreed it was the perfect name for our newest classroom resident.

It was wonderful to see everyone working together to prepare our new class habitat and showing such care, curiosity and responsibility as they welcomed Jessie into our classroom.

A Huge Thank You!

A huge thank you to all of the children and families who took part in our Sponsored Walk in May. We are absolutely delighted to announce that, together, we raised an amazing **£1,200!**

Your incredible support and generosity will make a real difference. The money was shared equally between Pets As Therapy as a heartfelt thank you for the wonderful support they provide to our school. The remaining funds have been used to benefit our children directly.

The children chose to spend the money on exciting new playground games and activities, and we are thrilled to say that they are already being enjoyed at playtimes. It has been wonderful to see the children making the most of the new equipment and having even more fun together.

Thank you once again for your enthusiasm, generosity and support. We couldn't have achieved this without you!

UN Convention on the Rights of the Child
Article 29: Goals of education
Article 31: Leisure, play and culture
Article 12: Respect for the views of the child

Year 3 and 4 had an exciting day stepping back in time to Ancient Rome during our Gladiator workshop. The children met a Roman gladiator and learned all about what life was like in the arena. They explored the different weapons, armour and equipment used by gladiators and discovered the skills, courage and discipline needed to compete.

The highlight of the day was taking part in a supervised battle activity using replica Roman equipment. The children loved getting involved and were able to put their historical knowledge into practice while having lots of fun. They also had the opportunity to ask questions and learn fascinating facts about life in Roman Britain.

Years 5 and 6 Playmaking Festival

Tuesday marked the culmination of a whole term's hard work as the children from Miss Mackie's Drama Club performed their section of King Lear in Stratford-upon-Avon as part of a collaborative production with young people from across the Midlands.

Throughout the term, the children have worked closely with Miss Mackie and RSC Director Mentor Chris White to develop their performance. They demonstrated outstanding commitment, resilience and talent during rehearsals and delivered a fantastic performance on the day. They also had the opportunity to watch and celebrate other schools' interpretations of the play.

It was a truly memorable day, and the children should be incredibly proud of everything they have achieved. Their hard work, dedication and enthusiasm shone through, making it a wonderful experience for everyone involved.

Lear is unhappy that Oswald does not respect him as much as he expects, so he gets his men to take matters into their own hands

Edmund and Edgar have a sword fight

Curran and Edmund meet to talk about what has been going on

Years 5 and 6

Looking at Learning

Goneril is fed up with her father, Lear, and stands up for household by asking him to leave

After faking an injury, Edmund persuades his father that he has been attacked. Cornwall and Regan come to see what has happened

Goneril and Albany talk about the behaviour of King Lear and his Knights.

The fool lets King Lear know how unreasonable he has been by reminding him of all the silly things he has done.

UN Convention on the Rights of the Child

Article 29: Goals of education

Use 5-star rated, high-SPF sun cream

Drink plenty of water

Cover up with a hat and long sleeves

Wear sunglasses to protect your eyes

Stay in the shade between 11 to 3

As the hot weather continues and the summer holidays approach, we would like to remind all families of the importance of staying safe in the sunshine.

Please ensure that children come to school with sun cream applied and with a hat and filled water bottle (we have a water cooler in school for them to refill from). In school, staff employ a number of measures to keep the children safe and comfortable. This includes keeping classrooms well ventilated, the use of fans, use of shaded outdoor spaces and encouraging children to keep hydrated.

It is also important to continue to follow safety guidance at home. This includes supervising children around water including paddling pools at home. Follow the QR code for more tips on staying safe in and near water.

Upcoming Changes & Expansion to Free School Meals (FSM)

Dear Parents, Guardians and Carers,

We are writing to inform you about important national changes to Free School Meal (FSM) eligibility that will come into effect from the start of the 2026/27 school year.

Please be aware this does not change the entitlement of everyone in Early Years and Key Stage One (Reception, Year 1 and Year 2) to be entitled to Universal Free School Meal (UFSM). All pupils in these three years are entitled to a Free School Meal daily and you do not need to complete any forms to enable your child to access this.

The UK Government has confirmed that, from September 2026, all children in England whose households receive Universal Credit will be entitled to Free School Meals, regardless of their overall household income.

What is Changing?

Under current rules, families must earn below £7,400 per year (after tax and not including benefits) to qualify for free school meals. From September 2026, this earnings threshold will no longer apply — any family receiving Universal Credit will be eligible. This change is expected to support over half a million additional pupils across England.

What This Means for Your Family

- No income cap: If your household receives Universal Credit, your child will be eligible.
- Financial savings: Families could save up to £505 per child per year on school lunches.
- Support for wellbeing: Access to a nutritious daily meal has been shown to improve children's health, concentration, and learning outcomes.

When Will This Happen?

The new entitlement will begin at the start of the school year in September 2026. Schools nationwide are preparing now to accommodate the increased number of children who will receive meals. We, as your school's caterer, are fully prepared to support this fantastic new initiative and are keen to support even more pupils with access to our exciting and nutritionally balanced lunches each day. Remember this a free lunch every day of the school year.

Do Parents Need to Apply?

Yes. Although eligibility will cover all families on Universal Credit, parents, guardians and carers will still need to apply for free school meals so the school can process and confirm entitlement. Applications are expected to open before the start of the 2026 school year, typically requiring your National Insurance Number and Universal Credit Reference Number. The new rule also means that you will need to apply each year for free school meals as the once registered rollover will stop.

Rest

It is important to work hard, stay motivated and set goals to achieve in life. It is also important to not overwork yourself and get enough rest to help manage your stress and unwind so you can stay motivated and prevent burnout in the long run.

Rest is vital for your mental health as it can improve your concentration, memory, critical thinking, planning for the future, problem-solving, mood, immune system, reduce stress, and helps your body's metabolism and physical recovery.

Rest can be difficult to define because it can look different for everyone. It can be anything physical or mentally stimulating that improves wellbeing such as going for a walk, singing, drawing, cycling, playing games, watching TV/streaming, exercising, playing sports, reading, dancing, listening or creating music, writing, crafting, relaxing or anything else you enjoy!

Our Top Tips for Rest:

After you have done something important like studying, chores or homework, reward yourself by doing something enjoyable that helps you recharge.

Set aside enough time each day for hygiene. This can be showering, brushing teeth, washing hair. These regular activities can help you to relax.

Create a healthy sleep routine by avoiding caffeine or sugary drinks near bedtime, ensure you are warm and comfortable in bed and limit screentime.

Engage in some mindfulness or restful activity, such as meditation, reading, listening to calming music, podcasts or bedtime stories.

Use the QR code to download the Calm App, which has lots of meditations, soundscapes and stories.

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.

Lighthorne Heath Learning Heroes

Reception

Mrs Gill has chosen Alyssa as her learning hero this week. Alyssa has worked super hard with her phonics this term and has impressed us with her sentence writing this week. Well done Alyssa!

Co-

Years 1 & 2

This week we have chosen Albee as our Y1 & 2 Hero. Albee really impressed us with his letter-writing skills, producing a clear and well-presented letter for his new teacher during literacy. He also worked hard in our Science lesson, showing his incredible artistic talent as he sketched our new stick insect, with careful detail. Great job Albee!

Have a go

Concentrate

Persevere

Years 3 & 4

Mrs Madahar has chosen Kyan as our Year 3 and 4 Lighthorne Heath Hero this week! Kyan has had a fantastic couple of weeks. He has been making brilliant choices with his behaviour, listening carefully to advice and trying his best to put it into practice. We have also been really impressed with the effort he has been putting into improving his handwriting. Well done, Kyan!

Be curious!

Keep improving

Years 5 & 6

The hero in years 5 & 6 this week is Luke. He saved the day at the RSC Playmaking festival by taking on the role of King Lear without any notice. He showed amazing bravery and resilience and took on board all feedback to give an outstanding performance. Thank you, Luke.

Enjoy learning

Use your imagination

Reading

Guide to Supporting Your Child's Reading

Questions to ask your child when reading fiction:

Predicting:

What do you think this book will be about based on the title and cover?

Have you read any books by this author before? What were they like?

What do you already know about this topic?

Understanding the Story:

What is happening in the story so far?

Who are the main characters? What do we know about them?

Where and when does the story take place?

Making Connections:

Does this story remind you of anything in your life?

Have you read another book like this before?

How do you think the character is feeling? Why?

Vocabulary and Language:

What does this word mean? Can you use it in a sentence?

Are there any words that you don't understand?

How do the illustrations help to tell the story?

Encouraging Critical Thinking:

What do you think will happen next?

Filling in the reading record:

When signing your child's reading record, please include the date that your child read, the title of the book (or the material that they read) and your initials.

You are welcome to include additional information about your child's engagement, comprehension and confidence or some praise if you would (and this is useful) but you don't have to.

REMEMBER... YOU'VE GOT TO BE IN IT TO WIN IT!

1. Share a book with an adult at home at least 3 times each week (you can read your school reading book or any other reading material).
2. Ask the adult to sign your reading diary each time they share a book with you.
3. Make sure that your reading diary is in school each day. On Friday, bring this to the office and show the Learning Detectives. If your diary is signed 3 times or more for that week, you will receive a raffle ticket.
4. The raffle tickets will go to celebration assembly and prizes will be given each week for raffle tickets drawn.

Activities to help children move more every day

Children need 60 minutes of physical activity each day, with at least 30 minutes of that outside of school. You don't need to buy expensive equipment or find lots of extra time to make a difference. Every bit of movement adds up to support their health and wellbeing.

Need some inspiration? The NHS advice pages have lots of ideas to help! Whatever your family enjoys, there's a fun way to get moving together.

Why being active matters

There are lots of good reasons for kids to be active! Research shows that physical activity helps school-age children in lots of ways.

Here are some of the benefits of staying active:

Improves behaviour, self-confidence and social skills

Improves attention levels and performance at school

Develops co-ordination

Strengthens muscles and bones

Improves health and fitness

Maintains healthy weight

Helps them sleep better

Improves mood and makes them feel good

Attendance Matters

Regular school attendance is essential for every child's learning, wellbeing, and future success. At our school, we are committed to promoting good attendance and working proactively with families to ensure all pupils benefit from being in school every day they can.

Attendance is everyone's responsibility. Good attendance supports academic achievement, personal development, safeguarding, and welfare. The most effective schools consistently promote the benefits of attending school regularly and on time.

Parents and carers have a legal responsibility to ensure their child receives a suitable full-time education and attends school every day unless there is a valid reason for absence, such as illness, authorised leave in exceptional circumstances. If your child is absent, please contact the school as early as possible on the first day to explain the reason.

Thank you for your continued support in helping every child make the most of their education.

Online Safety Information

Be smart on the internet

S SAFE Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

M MEETING Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

A ACCEPTING Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

R RELIABLE Information you find on the internet may not be true, or someone online may be lying about who they are.

t TELL Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.
You can report online abuse to the police at www.thinkuknow.co.uk

THINK UK KNOW

www.kidsmart.org.uk

KidSMART Visit Childnet's Kidsmart website to play interactive games and test your online safety knowledge. You can also share your favourite websites and online safety tips by Joining Hands with people all around the world.

Childnet International
www.childnet.com

Some useful information for parents and carers, including online webinars can be accessed via The National College (formerly National Online Safety). At school, we teach the children about safe online behaviours but it is important that these messages are reinforced at home at that parents and carers are aware of how to support their children if issues arise.

Mental Health

The Mental Health in Schools Team presents:

Calm: a worry workshop for families

We are hosting several '**worry**' focused workshops over the summer holidays for parents/carers to attend **with** their **primary school aged child(ren)**. These are activity based and expected to last between **90 mins to two hours**. Please note, simple refreshments are provided but please bring drinks/snacks as required – there will be breaks!

This workshop will help you and your child understand what worries and anxiety are, and how they show up in thoughts, feelings and the body. We will explore a range of practical tools you can try together, such as breathing, grounding and helpful thinking. The session is interactive, with opportunities to take part in ways that feel comfortable for you.

Lillington Children Family Centre

Family Learning

What is Family Learning?

Family Learning takes place among family members including parents, grandparents and carers. Families learn together, in a relaxed atmosphere and parents and carers discover how their children learn and develop.

Family Learning includes courses for adults and children together as well as adult only courses, including adult-only qualifications.

Examples of courses are Family Food, Understanding your Child, Story and Number Explorers (REAL programme), Play and Learn, Film Club, Story Sacks, and more!

These types of Family Learning courses are always FREE. They help you to help your child with reading, maths, wellbeing and more!

Our qualification courses

Our qualifications for parents and carers who want to develop their knowledge and skills to help their own families and gain a qualification alongside! They also suit people who want to work with children and families and are looking for a way to do that that fits into family life.

Level 1 Moving On has topics around family life, like 'Family Cooking', 'Making and Using Story Sacks', 'Using Crafts with Children', 'Family Relationships' and more! This course is FREE.

Our Level 2 Supporting Teaching and Learning is a qualification for those working in support roles in education, or those who want to in the future. Topics include 'Understanding children's learning and development', 'Enabling Effective Learning Environments', 'Building Professional Relationships', 'Promoting Positive Behaviour' and more!

Flyers for our courses have been sent to your child's school. Ask for a copy of the parent flyer or qualification flyer, if you are interested.

Family Learning and University of Warwick

Did you know, if you complete a Family Learning qualification you get a **guaranteed interview** on one of these degree courses at the University of Warwick:

BA (Hons) Early Childhood

BA (Hons) Child and Family: Health and Wellbeing

Please see university website for fee information, terms and conditions about their courses. More information on the qualification flyers.

Those who complete a
Family Learning
qualification get a
guaranteed interview at
University of Warwick!

Express Interest in Level 1: <https://forms.cloud.microsoft/e/7B6czA60Vp>

Express Interest in Level 2: <https://forms.cloud.microsoft/e/j42Epxpnqc>

If you are interested in finding out more about Family Learning, please email
